to be hanged at White Oats today, to months' term of school is taught.

tion claims growing out of the ravages fairly well, all considered. committed by Geronimo at the time of his raid through this part of New a several day's trip to Gila Bend, says Mexico, will not be allowed. The that the famous Wolfley canal, at congress. The supreme court has armined this decision.

WHEN in the capital of Luna county the other day the LIBERAL was handsomely entertained at the court house. The new court house has not been built yet but the county officers have rented a store room, and there established themselves for business. Sheriff Baca has a desk near the door and acts us tyler of the lodge, a light railing protects the officers desks from the admiring populace which is constantly \* the office act. At various desks distributed around the room are seated tributed around the room are seated the clerk, the assessor, the treasuer, and the probate judge, all clothed with dignity and looking supremely happy because there is a Luna county. The only contents of the vault is a handsome jaguar skin, the original wearer of this skin was killed a few weeks ago on a Luna county ranch. The skin will be tanned and handsomely mounted, when it will be presented to Mrs. Governor Otero as a mark of the appreciation the people of the county bave for her distinguished husband.

Sprains, cuts bruises, burns, frosted feet and ears, sore throat and rece chest. If you have lame back it will cure it. It ponetrates to the seat of the disease. It will cure stiff joints and contracted muscles after all remedies have failed. Those who have been cripples for years have used Ballard's snow liniment and thrown away their crutches and been able to walk as well as ever. It will cure you. Price for cents. Free trial bottle at Eagle drug store.

County School Superintendent White in his report to the Territorial

district has had a very imadequate school house with poor equipments.

The county superintendent some weeks ago visited the district, and after full consultation with the board and a review of the linances it was a decided to exact a handsome prick allows all rate quies wind collections. school house with poor equipments. decided to erect a handsome brick
building trimmed with stone, and
have the same ready for occupancy
for the fall term of school. The board
of directors have been working faith

Winsleads Southing Syrup, and take no fully to this end for the past two years. age, two large rooms with fourteen-foot hall, and will be equipped with all modern conveniences, maps, charts, globes, etc. The town of Lordsburg has lately been building up rapidly and the urgent demands for a better and more commodious school building had to be met immediately. Contracts have been let for portions of the work and the building will be completed within the next few months.

"The Stein's Pass school, in this district, quite recently formed, has here-"Yne building will have elegant front-

trict, quite recently formed, has here-Arizona. The district has no school building yet. Upon a visit to the district quite recently by the superintendent, in response to a petition signed by many taxpayers, it was decided to build a school building, if possible this summer, and if not possible to build to rent a very neat place at Stein's Pass, locating the school permanently at that point. The board will make a very great effort to build sad to bave a successful term of school

Mait and Express Line.

Stage leaves Solomonville Mondays, Wednesdays and Fridays at 7 s. m., and arrives at Duncan at 12 m., making close connection with the A. & N. M. Ry. Leaves Duncan Tuerdays, Thursdays and Fridays at 12 m., warring at Solomonville at 5 p. mi.

This line is equiped with elegant Conconn Coaches, Fine Stock, and careful drivers.

Fare 85. Low charges for extrabaggage. The quickest and safest route to express matter to Solomonville, A. T. tofore been taught near San Simon, sad to bave a successful term of school

WESTERN LIBERAL, taught at the new location. Many

"At Redrock the district has two safe and reliable. school houses. This was caused by the burning of the old school building some two years ago, and the patrons being unable to get together on a suitable site for a new house. I consider it unfortunate that there are not sufficient scholars to warrant a division of this district. It is true that the district is some eight miles. Tun Stiver City Independent came in length and narrow in width. The out this week as a six page paper in patrons claim that a school building located in the center of the district would cause several pupils to miss the THE LIBERAL IS in recolpt of an in- school term, owing to the distance vitation to attend the commencement, and often high water in the Gila river. exercises of the New Mexico College of This status of affairs came about dur-Agriculture which was held at Mestila ing the term of my predecessor and under a certain agreement entered toto by leading patrors of the district, THE people of Blabee are agitating one set of trustees to look after both incorporation. Disbee has a popula- schools, dividing the amount of funds tion of 6,000, and it is entitled to a equally between them. This of mayor, a common council and a boodle course causes short school terms in or gang and really needs a board of at each school house-say, three or four months.

"At Gold Hill in this district. THE people of Clifton contemplate a summer school is being conusing the money raised for county ducted at present. The school division to pay for a Fourth of July building and furniture are not the celebration. They should remember best, but do quite well for present that the county is not yet divided and need. The camp has been dull for another legislature meets in 1903, some years and the attendance is rather small, yet the board and patrons take considerable interest in The Govenor has commuted the sen- school matters and each year during tence of Jose Maria Rivera, who was the summer months a three or four
